Schedule for 2010 Training Classes

Shown below is the Training Class Schedule for 2010. Classes are free of charge to our distributors and to DOOSAN machine tool users.

***Please Note:** There will be an MX /TT 31i training class for distributors AE's only on January 13th and 14th in NJ. All are urged to attend for an informal hands on session and Q&A. This class will explore, in depth, areas that are most understood on the MX machines. Also, the differences between the 18i and 31i models will be covered in detail.*

All classes will take place at the New Jersey Technical Center except as noted, on the dates shown below.

Classes start at 9:00 AM and end at 4:30 PM. Travel schedules for participants to be arranged accordingly.

Basic Lathe Programming: First two days - covers the basics of two-axis turning center programming. Third day - covers programming with live tools and **C-axis (Third day enrollment is optional)**

February	23-24-25	Chicago
June	08-09-10	
August	24-25-26	
December	07-08-09	

Machining Center Programming: Two-day class, covers the basics of 3-axis machining center programming.

February	17-18	Chicago
May	19-20	
August	18-19	Chicago
November	17-18	

Advanced Lathe Programming: One and ½ -day class, covers programming of turning centers with Y-axis and Sub-Spindle (**single path control**). Attendees must have a thorough knowledge of 2-axis, C-axis and live tool lathe programming as a prerequisite.

MX & TT Operation / Programming: This is the 2nd half of the 2nd day + the 3rd day class. This covers programming of multi tasking turning centers (**2-path controls**). Attendees must meet the requirements of the 3 day **Basic Lathe / C-Axis** + the **Advanced Lathe Programming** class before attending.

April	13-14-15
October	20-21-22

REGISTERING FOR CLASSES

- Please contact (thomas.fortier@doosan.com) or call (973) 618-2437 for MC's or, (robert.appleton@doosan.com) (973) 618-2439 for any other information concerning the training classes.
- Registration deadline for classes is three weeks prior to the respective class date. A confirmation of class enrollment will be sent to every registered class participant at least 14 days prior to the respective class date. Airline tickets for class participants must not be purchased before having received your enrollment confirmation.
- When class enrolment by registration deadline is less than three participants in Chicago, the respective class will be either cancelled, or moved to NJ. Participants that have already registered for classes will be notified, immediately.
- Upon demand and machine availability, we will consider scheduling special training classes for groups of three or more participants.
